Public Notice: Hollingsworth Ferry Road Construction

The Heard County Board of Commissioners is notifying citizens that **road construction is currently underway on Hollingsworth Ferry Road**. The construction crew is grinding the existing asphalt and rebuilding the road base, which will result in loose material and uneven surfaces throughout the work zone.

Travel Advisory

- **Use caution when traveling** through this area due to active equipment, workers present, and changing road conditions.
- **Reduce speed** when approaching the construction zone.
- **Expect rough surfaces** where the asphalt has been removed.

Vehicle Care Reminder

- **If you drive through the construction area**, you may notice dust, dirt, or debris on your vehicle.
- **Rinse or spray off your vehicle** afterward to prevent buildup on paint or undercarriage.

We appreciate your patience as improvements are made to Hollingsworth Ferry Road. These upgrades will enhance long-term safety and drivability for all residents.
