

HEARD COUNTY BOARD OF COMMISSIONERS WORK SESSION
October 15, 2024 – 5:00 P.M.

The Heard County Board of Commissioners held a work session on October 15, 2024, at 5:00 p.m. in the Commission Chamber of the Heard County Administration Building. In attendance at the meeting were Chairman Lee Boone, District 2 Commissioner James Perry, District 3 Commissioner Iris Harris, District 4 Commissioner Larry Hammond, District 5 Commissioner David Walls, and County Attorney Michael Hill. District 1 Commissioner Larry Hooks was unable to attend.

The Chairman welcomed invited guests from Tenaska to address the Board. Justin Vala, Kimberly Ross, Austin Zigler, Eli Waring, Mike Carlson, and Morris Long provided an overview of the Proposed Tenaska Enon Grove Generating Station. They outlined the project's goal of expanding their existing facility with additional natural gas-powered generators, which would contribute to the power grid by increasing the capacity for electricity generation.

The Board reviewed proposed amendments to the subdivision ordinance. In August, the Board held a work session where they drafted revisions to the existing ordinance. After a comprehensive discussion, all Commissioners expressed their satisfaction with the proposed changes. The revisions were then sent to the County Attorney for formal drafting and amendments. A public hearing on the matter was scheduled for November 19, 2024, during the regular Commissioners Meeting. The work session ended with no official action being taken.

End time 6:24 p.m.
